## Sketch Mockup

### 3# Paper Mockups (Sketches) Mobile view

#### 1. Screen 1 \* onboarding \*

The sketches show two mobile app screens side-by-side. The left screen is titled 'Signup' and contains three dropdown menus labeled 'Fav... leagues', 'Fav... teams', and 'Fav... players', each with a downward arrow. A 'Next' button is at the bottom right. The right screen is titled 'Profile' and contains input fields for 'Full Name', 'DOB' (with a date picker showing '19/20/1990'), 'Email' (with a placeholder 'example@gmail.com'), 'Password', and 'Confirm Password'. A 'Find' button is at the bottom right. Both screens have a hatched area at the bottom representing a navigation bar.

#### 2. Screen 2 \* Home Feed \*

The sketch shows a mobile app home feed screen. At the top, there's a 'Fav league logo' and a 'Profile icon'. Below them is a text input field 'What's on your mind' with a plus icon. A dashed line separates this from the 'Feeds' section. The first feed item shows a user profile 'User Name' (with a profile icon) and a post 'Liverpool play amazing today!' with a timestamp '5m ago'. Below the text is a placeholder for 'Images/Videos'. At the bottom of the feed item are icons for likes (heart) and comments (speech bubble) with counts '120' and '250' respectively. At the very bottom is a navigation bar with four icons: a house for 'Home', a heart for 'Favorite', a list for 'Pages/Posts', and a gear for 'Settings'.
